# Barnabas Dental Clinic

---

### Mission Statement

*“To provide assistance to individuals and families  
in need throughout Nassau County.”*

## Our Vision

Our vision is to provide Nassau County residents, who qualify as low income program participants, adequate care for acute or chronic dental issues.

## Clinic Personnel

Several local dentists generously donate their time to serve qualifying patients in need of dental care. Additional staff at the clinic includes: a dental coordinator, a dental assistant, and a dental hygienist.

Frank Gupton, D.D.S., Dental Director

## Eligibility Process

- Patients must be 21 years of age or older.
- Patients must be Nassau County residents.
- Photo identification is required.
- Social Security cards are required for every member of the family.
- Proof of income is required.
- Medicaid card if applicable.

## Services Offered

The Barnabas Dental Clinic provides a range of comprehensive dental services.

### Services include:

Exams

X-rays

Fillings

Simple Extractions

Complex Extractions

Root Tip Extractions

Complete Dentures

Partial Dentures

Emergency Visits

### Dental Hygiene Services:

- Routine Maintenance Cleaning
- Gross Debridement Cleaning
- Fine Scale & Polish
- Deep Cleaning, Scaling, & Root Planning

Clients who have Medicaid are eligible for services through the dental clinic's self pay program. This means that **clients will be held responsible for the payment of all services they receive.** Please refer to the fee schedule for current rates. Please note that the dental clinic does **NOT** bill Medicaid for any services provided, and Medicaid is not responsible for any fees incurred.
